

# SPONSORSHIP PROGRAM

Thank you for your continued interest in the POR-15® and American Icon brands. Program requirements are as follows: Document product application with photography or video. Minimum desired content should record the subject before, during, and after product application, while showcasing our product packaging at least once in images or videos. You also agree to allow P.O.R. Products to use your content for our marketing purposes. If the content is not provided or posted within six months of the projected completion date, you will be billed for all products sent to you at MSRP value.

Please share some details about your upcoming project and which of our products you plan to use. We can customize a package that will strengthen your project and brand while helping us build ours. We look forward to working with you!
